

Aria 122cm CTC Fan in Black

DESCRIPTION

The Aria CTC (close to ceiling) fan range is sophisticated in look and comes with an ABS body and blades, perfect for coastal environments or areas.

NOTE: This fan has a high airflow and may not be suited for smaller rooms.

Available in black or white and with or without light.

Low Profile

Low profile fans that fit your space are necessary if your home has low ceilings. This fan only protrudes 19cm from the ceiling, allowing it to sit flush against the ceiling. This makes the space safer for everyone in your house and makes it appear less cluttered and more open.

AC Motor - Reliable, Affordable, and Versatile

Since they have been around for a while and are affordable, AC, or alternating current, ceiling fans, are a popular option. The convenience you need to conveniently control the temperature of your house is provided by AC ceiling fans, which are also very simple to maintain and can be operated with either a wall control or remote.

Wall Switch

3 speed wall switch included.

Coastal Rating

Suitable for indoor, alfresco and coastal areas provided the fan is fully undercover, protected from water, wind, dust and salt, with a minimum of 1 walls.

Recommended Room Size

For rooms up to 3m x 3m, we recommend a 122cm fan. NOTE: This fan has a high airflow and may not be suited for smaller rooms.

2-Year In-Home + 7-Year Motor Replacement Warranty

We provide a 2-year in-home warranty and a 7-year motor replacement warranty on all hard-wired Lucci or Fanaway fans. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade member, we'll extend your in-home warranty on the nominated Lucci or Fanaway fan for an extra 1 year, which means you'll enjoy a 3-year in-home warranty.
