

Havana 38cm Hanging Fan Only In White

DESCRIPTION

The Havana mini ceiling fan features 3 speeds, an oscillating motor and is adjustable to 3 different angles, helping circulate air around the room. Its small size and versatile movement make it ideal for the corners of rooms, making it less intrusive.

Available in white, black and oil-rubbed bronze with koa blades.

AC Motor - Reliable, Affordable, and Versatile

Since they have been around for a while and are affordable, AC, or alternating current, ceiling fans, are a popular option. The convenience you need to conveniently control the temperature of your house is provided by AC ceiling fans, which are also very simple to maintain and can be operated with either a wall control or a remote.

Remote Control

3-speed remote control with timer and swing function included.

Indoor Rating

Suitable for indoor use only.

Recommended Room Size

For rooms up to 3m x 3m, we recommend a 122cm fan or lower.

2-Year In-Home + 7-Year Motor Replacement Warranty
